Sebastian Seitz, EPLAN

CEO

WELCOME

Welcome to the EPLAN Virtual Fair 2021!

Digital communication has never been as important as it is today.

Our Virtual Fair offers global exchange of engineering knowledge with fascinating discussion rounds, keynote presentations and best practices, helpful software demonstrations and plenty of opportunities for digital networking.

Added value for you:

Trends

As a **decision-maker**, use the Virtual Fair as an opportunity to network globally on C-level and participate in panel discussions. The EPLAN management will also inform you about current strategic challenges and opportunities.

Projects

As an **engineering manager**, you will benefit from our expertise in integrated process consulting. We will work together to reveal the potential for optimisation in your company – whether small or large. Get inspiration from genuine best practices and the latest project examples.

Software

Let's EPLAN! As a **user**, you can look forward to a wide range of software demos, live presentations and helpful tips and tricks for your daily tasks.

We look forward to your participation!
